

The background features a dark blue gradient with faint, light blue architectural drawings. These include circular diagrams with concentric lines, dashed lines, and arrows, as well as a large circular scale with numerical markings from 140 to 260. The overall aesthetic is technical and modern.

CORNERSTONE UNIVERSITY MASTER PLAN AND ARCHITECTURAL DRAWINGS

A VISION FOR AFRICA'S CENTER FOR MINISTRY EXCELLENCE

Phase 1
School of Theology

Phase 2
Faculty Block

Phase 3
School of Leadership

Phase 4
Road works and
sports fields

Phase 6
Main hall

Phase 7
Student Housing

CORNERSTONE UNIVERSITY MASTER PLAN

May God bless this vision and inspire a new standard for design, architecture, and learning for universities in Africa.

We see this vision as a mark of progress for the church in Africa and a gateway to better community formation throughout the continent.

We also see many African universities visiting, being inspired, and making changes to better their students' experience.
